Make a 'milk bottle top turtle'

What you need:

- A milk bottle top
- Turtle template
- Scissors
- Coloured foam or card
- Googly eyes
- Coloured felt pens
- A wooden peg
- Glue
- Sequins
- Glitter glue

What to do:

- Draw round the template onto your desired colour of card or foam
- Carefully cut out your turtle
- Glue the milk bottle top onto its back, and googly eyes onto its head
- Using the felt pens, sequins and glitter glue, decorate the turtle's flippers, head and shell
- Colour in a wooden peg and glue it on to the turtle's underside
- Leave the glue to dry
- You now have your own 'milk bottle top turtle' that you can peg onto your jumper, coat or hat for everyone to see!
