Help protect the environment

Have fun and make new friends

Help make a future for wildlife

Everyone is welcome, bring a friend; Watch groups are open to Members & Non Members!

About Watch...

Wildlife Watch groups are for young people who are curious about the natural world, and keen to get involved and learn more.

Watch meetings include activities such as pond-dipping, looking for mini-beasts, bird watching, mammal tracking, nature reserve visits, badger and bat watching, arts and crafts and wildlife games. Most groups ask for a small contribution, which will go towards resources to help run the group.

Watch Groups are usually for children aged between 8 and 12 years. Children under 8 years of age may be able to attend Watch meetings at the discretion of the Watch Group Leader, but they must be accompanied by a parent/guardian. Greenwatch Groups are for young people aged 12 and up

General Wildlife Watch enquiries please contact
Amanda Brookes – Wildlife Watch Officer
☎ 01604 405285 or email:
amanda.brookes@wildlifecnp.org
