Dear Teacher

Thank you for booking your visit to Paxton Pits Nature Reserve with The Wildlife Trust.

Please make sure that you also download the following documents:

- Booking form
- The Cormorants provisional day plan
- The Nightingales provisional day plan
- Your Day At - Habitats Through Time
- Habitats Through Time activity risk assessment
- Paxton Pits Nature Reserve site risk assessment

Please download, complete and return the booking form to confirm your booking.

Please note we ask you to **divide your class into 2 groups** – the cormorants and the nightingales. Please make sure you will have the correct ratio of adults to children in each group as we will need to ensure that there are enough adults to supervise each pond dipping station during the pond dipping activity.

If you have any queries, please do not hesitate to contact us.

We look forward to seeing you.

Yours sincerely

Debbie McKenzie
Paxton Pits Environmental Education Centre Manager
