

Your local Wildlife Trust works across Bedfordshire, Cambridgeshire, Northamptonshire & Peterborough, protecting wildlife and natural places by:-

- Managing over 130 nature reserves covering over 4,500 hectares – wetlands, woodlands, meadows and urban sites.
- Protecting rare and threatened species, from otters and dormice to butterflies, flowers and birds.
- Screening planning applications and fighting to save sites where scarce wildlife and habitats are at risk.
- Educating and inspiring thousands of children each year through our schools visits and family events.
- Encouraging and helping people to enjoy nature, with walks, talks and events in the town and countryside.
- Advising farmers, landowners, local authorities, businesses and community groups for the benefit of wildlife.

But we cannot do this without your help. Please support your local Wildlife Trust.

To make your donation worth almost a third more at no extra cost to you, please tick here (you must be a UK tax payer):

This will allow the Wildlife Trust to reclaim tax on your donation from the Inland Revenue.

The Wildlife Trust would like to hold details about you to be able to send you information about our activities and our work for wildlife conservation. If you prefer us not to use your details in any of these ways please tick here.

We promise not to sell your details to anyone else.

Wildflowers

– a lasting
tribute to a
loved one

Protecting wildlife
close to home

A donation in lieu of flowers will help protect local wildflowers for generations to come.

Traditionally we pay respect to our departed loved ones through a gift of flowers. However, cut flowers never last for long – unlike wildflowers, which if cared for can last for generations to come.

The Wildlife Trust for Bedfordshire, Cambridgeshire, Northamptonshire & Peterborough works to protect local wildlife. A donation to the Wildlife Trust in memory of a loved one will help us to maintain the spring blossom and bluebells in ancient woodlands and the orchids and fragrant flowers in summer meadows. It is a lasting gift that will bloom year after year – a gift full of hope for the future.

We are all concerned about our environment, so what better way to be remembered than to help leave a thriving natural world for future generations, so they too can enjoy the wonders of the wildlife around us.

If you would like to remember a loved one in this way, please complete the details opposite and return it with your donation to the freepost address given.

If you wish to put a notice in the press, please include 'Donations to the local Wildlife Trust' and the freepost address given. Your funeral director can also help with your arrangements by arranging collections for you.

Your gift, however large or small, will make a real difference to local wildlife. Thank you for thinking about us at this sad time.

In memoriam donation form

I/we would like to make a donation in memory of:

Address: _____

Postcode: _____

Name of the next of kin:

Address: _____

Postcode: _____

My/our name(s): _____

Address: _____
